BENEFITS OF SERVING ON OUR BOARD

A Meaningful Opportunity to Make a Difference in Public Education

- **Impact Students' Lives** - Help shape the future of a Title I charter high school where 100% of students qualify for free/reduced lunch and many face significant life challenges.
- **Develop Leadership Skills** - Gain experience in non-profit governance, strategic planning, financial oversight, and educational policy.
- **Expand Your Network** - Connect with community leaders, educators, and professionals who are passionate about public education and youth development.
- **Give Back With Purpose** - Use your time and talents to support a mission-driven organization dedicated to academic achievement, enrichment, and social-emotional growth.
- **Stay Informed About Education** - Learn about charter school operations, educational best practices, and local/statewide issues affecting schools and families.

Time Commitment

- Approximately 4 hours per month
- Attend one board meeting per month
- Meetings are typically held at 11:30 AM on the second Thursday of each month
