

## PARENT / LEGAL GUARDIAN AND STUDENT ACKNOWLEDGEMENT

*The Nevada Interscholastic Activities Association (NIAA) recognizes and understands that parents / guardians take the primary role in instilling values for their students. It is the goal of the NIAA to work cooperatively with parents to provide guidelines and programs that assist student athletes in making positive choices.*

**IMPORTANT – Please read the following information and acknowledge with your signature below.**

We understand that participation in high school athletics is a privilege, not a right, and that underage drinking and drug use is against the law. It is against the law to sell tobacco to people under the age of 18 and usage is against school policy. Substance abuse negatively impacts athletics and academic performance, and research indicates that early onset of alcohol use increases the occurrence of addiction in adulthood by four times. Alcohol and drug use interferes in learning processes, brain development and increases the chance of physical injury while participating in athletic competition. Because of these risks, and in addition to the laws of the State of Nevada, the NIAA requires participants and parents to agree to the following:

1. We have read the NIAA Drug, Alcohol and Tobacco Possession, Use and Abuse Penalties Policy and agree to abide by the Policy as written.
2. We realize that a video and Power Point presentation regarding the Policy is available and we have either seen this presentation or agree to waive the requirement of viewing the presentation.
3. We understand that we are encouraged to notify our school's athletic administrator / director if our son / daughter violates this Policy and / or the laws of the state of Nevada. It would also be acceptable for our child to self-report any violation of this policy to our school's athletic administrator / director.
4. We understand that knowingly providing erroneous information during the course of an investigation of an alleged violation of the policy will result in a one calendar year suspension from all high school athletic activities.
5. We further acknowledge that once our son / daughter begins participation as a student athlete in high school athletics that this policy remains in effect for every calendar school year during the course of their high school career and when he / she is directly involved in a school activity occurring at any time (summer leagues / camps, etc.). This policy remains in effect regardless of whether our son / daughter is currently participating on a high school athletic team.
6. We have also reviewed the following NRS 202.020, Purchase, Consumption or Possession of Alcoholic Beverage by Minor, and understand the laws of Nevada and how they pertain to our family.
7. We understand that although it is not technically against the law to use tobacco in the state of Nevada (NRS 202.2493 and 202.24935 prohibits anyone from supplying a person under the age of 18 with any kind of tobacco product), we realize it is against this policy and general school policy, and that scientific evidence demonstrates it is unhealthy and a detriment to athletic performance.
8. We understand that the use of steroids and other performance enhancing drugs are dangerous, illegal, provide only temporary gains and are a form of cheating other competitors.
